About TEDxGateway

TED is a nonprofit devoted to Ideas Worth Spreading. It started out (in 1984) as a conference bringing together people from three worlds: Technology, Entertainment, Design. Since then its scope has become ever broader. TEDxGateway is an independently organized TED event operated under license from TED. At the day long conference they will feature eminent speakers from different walks of life will share unique ideas from India and all around the globe. TEDxGateway's community is multi-disciplinary – their Delegates represent every field from A (architects) to Z (zoologists). This breathtaking range of experiences and perspectives provides the richest possible landscape for creative collisions. Any chance meeting at TEDxGateway can lead to exciting new ideas and insights. Each conversation with a new person could reveal new trends, treatments and technologies – or spark them.

About Avid Learning

Avid Learning, a public programming platform and cultural philanthropy arm of the Essar Group was founded in 2009, with the vision of featuring the best of Indian and International Writers, Artists, Thinkers and Cultural Experts, in the fields of Arts, Literature, Culture and Heritage, Design and Innovation through engaging formats like Workshops, Panel Discussions, Gallery Walkthroughs, Master Classes and Festival Platforms. Since our inception, AVID has conducted over 600 programs and connected with more than 85,000 individuals, a mix of students, homemakers, corporates and creative enthusiasts in different Indian cities like Mumbai, Delhi, Jaipur, Hazira and Vadinar. Over the years, AVID has also gained a reputation for curating thought provoking, trending and forward looking content that art industry practioners, patrons and art enthusiasts find stimulating both intellectually and creatively. AVID looks to the emerging opportunities and changing practices in this field, and continue to scan the arts and culture horizons globally in search of path-breaking programs that can be brought to discerning audiences in India. AVID seek to invite more people into the conversation about the arts and culture by deepening learning experiences through sustained partnerships and series and by diversifying their programming through new spaces, formats and approaches.

Thanks to a dedicated and innovative team, as well as a loyal community of learners, AVID continues to give truth to the belief that Learning Never Stops!
